

END USER LICENSE AGREEMENT TRIAL LICENSE

This License Agreement (hereinafter "Agreement") is a legal agreement between Milieu Grotesque (hereinafter "Milieu Grotesque") and you ("Licensee"). It is applicable to the trial font (hereinafter "Font Software") that you have requested via our website. By downloading and/or installing Milieu Grotesque font software ("Font Software"), the Licensee agrees to the following terms of this License Agreement.

Note: You are authorized to use the font software for test reasons only. This font software must only be installed to not more than one (1) computer that is your own legal property and only used by you. It is prohibited to pass on the font-software to third parties and use it for any commercial and publishing purposes. It is your responsibility to insure that this font software is not being pirated.

1. Definitions

"Font Software" means coded software that generates typeface designs when used with the appropriate hard- and software plus any and all other data including documentation provided with such software. "Licensed Unit" means an installation of the Font Software that allows up to one (1) concurrent users to use it at a single geographic location. A single geographic location is in particular the site of your place of business. The geographic restriction does not apply to portable computers if they are owned by you.

2. Licence Grant

2.1. Scope of license

This font software must only be installed to not more than one (1) computer that is your own legal property and only used by you.

2.2. Lawful Use

The trial license allows you to use files exclusively for trial purposes and only in a purely non-commercial context. Only single printouts are allowed – any multiple reproduction of a layout or design with the Font Software and/or any use of the Font Software beyond specified limited use for trial purposes needs additional licensing. Please visit our website or contact us with specific information on such projects for more information and/or a price quote.

2.3. Embedding

You may not embed the Font Software in documents, applications or devices either as a rasterized representation of the Font Software (e. g., a GIF or JPEG) or as a subset of the Font Software. The private conversion of our font using online web font converters and use of all other webfont-related technologies is strictly prohibited.

2.4. Back-up

You may not back-up copies of the Font Software.

2.5. Copying

You may not copy the Font Software or allow third parties to copy the Font Software.

2.6. Modifications

You may not modify, adapt, translate, reverse engineer, decompile, disassemble, alter, or attempt to discover the source code of the Font Software. If you want to make modifications to the Font Software, you must obtain the prior written consent of Milieu Grotesque.

3. Ownership

The Font Software, and all copies thereof, is protected by copyright and/or trademark laws and international treaties. Any copyright, trademark and other right belonging exclusively to Milieu Grotesque, is only extended to you as expressly provided in 2.1 and the other provisions of Art. 2 hereinabove. You do not gain ownership of the Font Software under this Agreement and may not extend any rights to any third parties except as expressly provided herein. The structure, organization, and the code of the Font Software are trade secrets of Milieu Grotesque and you agree to treat them as such.

4. Transfer of License

You may not give, hand out, rent or lease the Font Software or parts of it to third parties.

5. Warranties

Milieu Grotesque does not provide any warranties for Font Software used with this Trial License.

6. Governing Law

This Agreement shall be governed by the laws of Switzerland, excluding any conflict of law rules. The United Nations Convention for International Sales of Goods (Vienna Convention) is not applicable to this Agreement and expressly excluded. Any dispute arising out of this Agreement shall exclusively be governed by the ordinary courts of Zurich, Switzerland. If any part of this Agreement is found to be void or unenforceable by any competent court, the validity of the balance of the Agreement shall not be affected thereby. The remaining parts of the Agreement shall remain valid and enforceable according to the Agreement's terms. You agree that the Font Software will not be shipped, transferred or exported into any country or used in any manner prohibited by the applicable export law, or other governmental restrictions or regulations of your country. This Agreement may only be modified in writing signed by an authorized officer of Milieu Grotesque.

7. Termination

Milieu Grotesque has the right to terminate your licence immediately if you fail to comply with any of the terms of this Agreement. Upon termination, you must immediately destroy the originals and any copies of the Font Software and Documentation.

8. General provisions

You agree to inform all users who have access to the Font Software about the content of this Agreement and to make sure that they comply with the terms of this Agreement.
